School of Optometry enrolled in:

1st Year

2nd Year

3rd Year

4th Year

The Manitoba Association of Optometrists annually awards A. H. Basman, OD scholarships, in the amount of \$1,500 CDN for each optometric program year, to Manitoba residents attending optometric programs accredited or pre-accredited by the Accreditation Council on Optometric Education.

The selection for scholarships is based on academic performance as well as extra-curricular, community, and volunteer participation.

1. Scholastic Achievement

GRADE POINT AVERAGE: _____

Applicants must show proof of a minimum grade point average (GPA) of 3.5 or 75%.

*1st Year Students: Attach transcript of your marks (**sealed in an envelope from your institution**) for your entire pre-optometry course of studies.*

*2nd, 3rd, 4th Year Students: Attach transcript of your marks (**sealed in an envelope from your institution**) for the immediate, preceding academic year.*

Note: Internet copies are not acceptable.

In the event that no applicants for a particular scholastic year meet the minimum GPA requirement, a scholarship will not be awarded for that year.
