School of Optometry enrolled in:

1st Year

2nd Year

3rd Year

4th Year

The Manitoba Association of Optometrists annually awards A. H. Basman, OD scholarships, in the amount of \$1,500 CDN for each optometric program year, to Manitoba residents attending optometric programs accredited or preaccredited by the Accreditation Council on Optometric Education.

The selection for scholarships is based on academic performance as well as extra-curricular, community, and volunteer participation.

1. Scholastic Achievement

GRADE POINT AVERAGE: _____

Applicants must show proof of a minimum grade point average (GPA) of 3.5 or 75%.

*1st Year Students: Attach transcript of your marks (**sealed in an envelope from your institution**) for your entire pre-optometry course of studies.*

*2nd, 3rd, 4th Year Students: Attach transcript of your marks (**sealed in an envelope from your institution**) for the immediate, preceding academic year.*

Note: Internet copies are not acceptable.

In the event that no applicants for a particular scholastic year meet the minimum GPA requirement, a scholarship will not be awarded for that year.
